

## Tele-Append and Data Enhancement

Our tele-append and data enhancement service appends consented telephone numbers (both landline and mobile) and email addresses to a subject's data to maximise customer contact and engagement.

- All data sourced is fully compliant with GDPR guidelines where we have signed GDPR related contracts with our suppliers which have been approved by the ICO
- Access to over 190+ million live and consented mobile numbers, landline numbers and email addresses
- Ability to "data cleanse" our clients' databases for the most up to date customer information at low cost and fast turnaround
- Enhances any digital collections strategies our clients (and us) may utilise
- No contract, licence fees or tie in to annual spend
- Per success charging structure, not per search like other suppliers
- Data hungry company, constantly investing in new datasets
