

## Tier 1/Tier 1 Plus – Automated batch tracing

A sophisticated automated trace which provides new address information from all 3 credit reference agencies. All results are supplied with a phone number, pre and post cleanse, mortality check and trace score.

- Suitable for individuals (consumer) only – designed for batch tracing
- No manual intervention, fully database driven by a superior trace engine, saving costs
- **Online links to the three major credit reference agencies**
- Turnaround times 3-5 working days no matter what volume
- No match no fee
- No subscription fees or set up charges
- Single figure, flexible charging structure based on volume
- Success rates 70% on average
- **Results are accuracy scored for quality using platinum, gold, silver and bronze criteria, which also reflects the confidence of the trace result in order to assist the collection process**
- **Two options available: Waterfall (Tier 1) and Agile (Tier 1 Plus) depending on accuracy levels required**
